McLaughlin's Mayflower Coffee

IF YOU ONLY KNEW THE COFFEE BUSINESS AS WE KNOW IT (having been in it for over 40 years) you would at least try MAYFLOWER COFFEE. It is an absolutely pure and unadulterated coffee bought in the producing countries by our own buyers; packed, shipped, roasted and sent to you in airtight sealed cartons under the most healthful and hygienic principles known to coffee experts. We watch it carefully from the time it is grown until it reaches you. Our precaution makes it absolutely safe for you to use MAYFLOWER COFFEE instead of the CHEAP BLENDS and unwholesome, injurious burnt-grain imitations that the market is so

OUR ONLY REASON for spending such an enormous amount of money introducing MAYFLOWER COFFEE is this: If you will but try it one time you will continue to use it and recommend it to your friends. Because MAYFLOWER COFFEE is without a doubt the purest, most wholesome and best coffee that is possible to produce for the price.

At all good Grocers. 25 cents per pound in our Patent Hermetically Sealed Air-Tight Cartons.
